Summary:

Stan is going to fucking murder his soulmate, whoever they are.

everything's on sale, merry christmas in july

Stan is going to commit a murder.

"I'm going to commit a murder," he says. Bill nods absently, humming along to whatever cheesy love song his soulmate is listening to. "I'm serious," Stan insists. "I'm gonna track this motherfucker down and kill him and you're gonna miss me when I'm in jail because who will come watch horror movies with you then?" Bill looks up with a smile.

"You say that n-now, but I bet you'll chang-g-ge your mind when you m-muh-meet him." Stan scoffs.

"I won't have time to change my mind. I'll be busy killing him."

"It can't b-buh-be that bad. What is it this time?" Stan grits his teeth.

"I don't even know. A commercial jingle or something, over and over. It's been two hours and it hasn't even paused once." Bill winces a little in sympathy.

"Okay, that's pret-t-t-ty bad."

"It's NOT EVEN JULY," Stan says out loud to his empty bedroom. "It is NOT EVEN CLOSE TO JULY." The song doesn't relent, though; the high-pitched voice continues to enthusiastically promote its killer deals.

"H-H-H-H-H, H-H-H GREGG! PANASONIC BLU-RAY, NINETY-NINE DOLLARS! THIRTY-TWO INCH LCD TV, TWO-NINETY-NINE! LG FORTY-TWO INCH HDTV, FOUR-EIGHTY-NINE! EVERYTHING'S ON SALE, MERRY CHRISTMAS IN JULY!"

He rolls over in bed and catches a glimpse of his alarm clock. The glowing numbers read 3:50. Stan practically growls and yanks his laptop off the nightstand, opening YouTube with unnecessary intensity. Moments later, 'November Has Come' begins playing. He crosses his arms with a huff and waits. The song in his head gets louder. Stan yells.

"Does HH Gregg, like, exist anymore?" Stan asks. Bill looks up thoughtfully.

"Hmm," he says. "I don't know."

Stan nearly cries in relief when the song finally stops. He puts on his headphones, cranks his playlist, and takes an incredibly satisfying nap.

BILL: stan

BILL: stan

BILL: stan

STAN: What.

BILL: youre never gonna believe this

BILL: hold on

BILL: (youtube link)

STAN: What is this?

BILL: just watch it it went viral like two days ago

Stan clicks the link. The video is called “greggcon endurance challenge” and it opens on a dark-haired young man about Stan’s age wearing enormous glasses and a hideous flannel over a shirt that says ‘MISS BEHAVIN’: PARTY GIRL.’

“Hey guys!” the boy says. “Richie here. So, recently I was dared to sit and watch all ten hours of Greggcon—”

“You fucking were not, I said ‘don’t watch ten hours of that fucking hell video, I swear to god,’ and you said ‘don’t tell me what to do’ and started setting up the camera!” yells a voice offscreen.

“—Thanks, Eddie, anyway. I am going to do it, because I’m not a coward. This video isn’t edited at all. Ten hours. Let’s go.” He turns to the computer next to him and hits play. Stan yells.

STAN: ARE YOU FUCKING KIDDING

STAN: CAN I GET A REFUND

BILL: lmfao

BILL: congratulations

STAN: Don’t. Don’t even joke about this.

STAN: I’m genuinely so angry

STAN: What do I even do from here??

BILL: you could dm him? ten bucks says he has an easily searchable

twitter

STAN: Ugh.

@trashmouthtozier: u gotta prove it

@trashmouthtozier: bc this isnt the first time someones tried 2 convince me
